

# The Beautiful Land

1. In the twi - light hours 'mid the breath of flow'r's, When the soul in si - lence dwells,  
2. There sum - mer bright for - ev - er glows, And love im - par - tial beams,  
3. There lil - ies bloom of pur - est white, In hearts whom earth knew not;  
4. From the gold - en shore where our lov'd ones stand, While they watch with ea - ger eyes,  
5. O chil - dren, sing in joy - ous notes Of the bless - ed heav'n - ly land:

Sweet ech - oes come from the far - off home, Like the voice of eve - ning bells.  
Where wa - ters flow in rip - pling song, From life's a - bound - ing stream.  
There wea - ry souls find heav'n - ly peace, When sor - row's work is wrought.  
Sweet voic - es come, and they call us home To the home in the spir - it's skies.  
And let us walk in love and truth Till we join that ra - diant band.

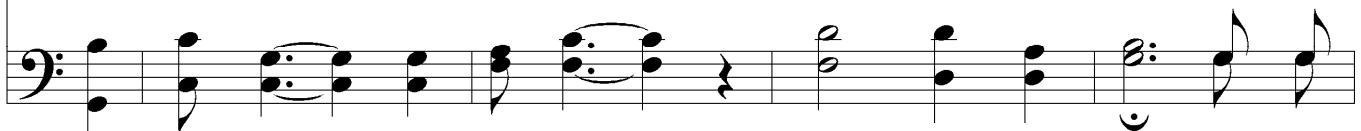

*Chorus*

O broth - er! O sis - ter! Loved, joy - ous, free, We will

*Slower*

walk hand in hand to the beau - ti - ful land Till its gold - en shores we see.
