O Holy Spirit, Come
ST. THOMAS S. M.

1. O Holy Spirit, come, And Jesus' love declare;
   Oh, tell us of our heav'nly home, And guide us safely there.
   Oh, work the wondrous work of love, The mighty work of faith.
   Come with the long-expected show'r, And fall upon this place.

2. Our unbelief remove By Thine almighty breath;
   Oh, work the wondrous work of love, The mighty work of faith.
   Come with the long-expected show'r, And fall upon this place.

3. Come with resistless pow'r, Come with almighty grace,
   Oh, tell us of our heav'nly home, And guide us safely there.
   Oh, work the wondrous work of love, The mighty work of faith.
   Come with the long-expected show'r, And fall upon this place.
