O Wondrous Love!

1. A light shines on my pilgrim way, That once to me was dim,
And earth seems bright wher’er I stray Since I am led by Him,
By Him in whom I place my trust; For shelter now I flee.
To Him who knows I am but dust—Jesus who died for me!

2. O boundless is His love divine, A-mazing is His grace;
Lo, I am His, and He is mine, And I shall see His face!
O blessed thought, When day is done My spirit shall be free;
Thru Him the victory shall be won, For Jesus died for me!

3. At morn, or noon, or yet at night, Perchance His voice shall call;
And when my spirit takes its flight To where no tears shall fall,
Still trusting in that love divine, Thru all eternity,
I’ll sing His praise, whose peace is mine, For Jesus died for me!

O Wondrous Love!

Chorus

O wondrous love
vouch-safed for me,
When Jesus died
on Calvary!
In Him I trust,
to Him I flee,
And 'tis enough,
He died for me!

O wondrous love; vouch-safed for me,
When Jesus died on Calvary!
In Him I trust, to Him I flee,
And 'tis enough, He died for me!
