On The Mountain’s Top Appearing

ZION

1. On the mountain's top appearing, Lo! the sacred herald stands,
   Wel come news to Zion bearing—Zion,

2. Has thy night been long and mournful? Have thy friends unfaithful?
   Proved? Have thy foes been proud and scornful, By thy friend;

3. God, thy God, will now restore thee; He Himself appears thy past;
   All thy foes shall flee before thee; Here their God, thy Savior, will defend thee, Victory is thine at last;

4. Peace and joy shall now attend thee; All thy warfare now be long in hostile lands.
   Mourning captive, God himself will loose thy sighs and tears unmoved?
   Cease thy mourning, Zion still is well beloved;
