ON THE OTHER SIDE

1. We are going to abide With the happy glorified, When we reach that
land of Canaan by and by; (by and by;) Where no weeping we shall see,
for no sorrow there can be, Yes, the glory of that country we shall try!

2. We are waking ev'ry day In the holy, heav'nly way, With the Spirit
of our Savior ev'ry night; (ev'ry night;) And no evil thing we fear,
As we onward journey here Tow'd that home by Jesus promised there on high!

3. We will ever watch and pray, And keep working ev'ry day, Tell-ing sinners
to inherit by and by; (by and by;) Where we ever shall abide,
With the millions glorified, In that country we are going soon to try!

4. 'Tis a lasting peace and rest, Thru our Savior's righteous-ness, We are seeking
On the other side, on the other side, Yes, the glory of that

country we shall try! we shall try! On the oth-er side, On the oth-er side,

on the oth-er side, There will be a hap-py meet-ing by and by! by and by!
