Be Still, O Heart! Why Fear And Tremble?

BE STILL, O HEART

1. Be still, O heart! Why fear and tremble? What harm, what evil can befall?
   Tho’ foes in mighty hosts assemble, Fear not, for God is on thy side.

2. Be still, O heart! The Lord of glory Was once a man acquaintance can be quaint
   With grief? He bends to hear tell all thy story—He cares, He’ll send relief.

3. Be still, O heart! Cease fearing, fretting About the future, all unknown;
   Nor think the Master is forgetting His loved ones, His own. Be still, be still, O heart, be still.

4. Be still, O heart! The King will send thee The clouds or sunshine as is best;
   His own right hand shall ever defend thee; Then trust His love, and know His rest.
