On Jesus' Love Relying

MAUDE 7s & 6s D.

1. On Jesus' love relying My heart forgets its fears;
   He gives me songs for sighing, And smiles in place of tears;
   My weak hand He is holding Within His loving clasp;
   My sinking form uphold ing By His Almighty grasp.

2. I may see all my pleasures Like autumn leaves decay;
   It may be all my treasures Like dew shall melt away;
   Lord, let not this alarm me; In Thee may I confide;
   Assured no change can harm me If Thou art by my side.
