Over Yonder

1. What sweet peace we shall have o-ver yon-der, In the land of the saved and the best. What a joy shall be ours o-ver yon-der. In the home of eternal rest. It will be joy when we get o-ver yon-der, O-ver yon-der, o-ver yon-der, It will be joy when we get o-ver yon-der, O-ver on that golden shore.

2. Oft we long for the voices now si-lent, For the touch of some dear lov-ing hand, When with Je-sus we dwell o-ver yon-der. We shall meet on that far off strand. It will be joy when we get o-ver there we view.

3. We may have man-y sor-row-s and tri-als, As the jour-ney of life we pur-sue, But a-midst all our tears and our sigh-ings, That blest home o-ver there we view.
