Christmas Children We

1. Christmas boys and girls are we, Full of happiness, you see;
   Good and true we hope to be, All the way along.
   Cheerfully our songs we raise, Happily our notes of praise,
   Merry hearted all our days, Christmas children we.

2. Santa Claus, our friend so dear, Brings us something every year,
   His old heart we'd love to cheer, Merry Christmas days.
   Merry hearted all our days, Christmas children we.

3. Best of all is Christ our Lord, Promised in the Holy Word,
   Come to earth, by all adored, Christ, our Christmas joy.
   Merry hearted all our days, Christmas children we.
