Merry Christmas Bells Are Ringing

1. Merry Christmas bells are ringing, Filling all the frosty air,
   And the happy children singing, Greet this Day of days most fair,
   “O ye sons of men, be joyful, Christmas day has come again.”

2. May a spark of holy feeling Softly ev’ry bosom thrill,
   Love divine a new revealing in the gospel of good-will,
   Oh! how sweet the Christmas message With its gift of heav’nly peace!

3. Christian hearts, sing out your gladness! See the star celestial shine!
   Leave your doubts, forget your sadness, Welcome now the Babe Divine!
   Then reflect the heav’nly glory, Tell it to the world again;

   Ev’ry Christian heart responding Gladly joins the sweet refrain,
