E♭

1. Weep - ing will not save me– Tho' my face were bathed in tears,
2. Work - ing will not save me– Pur - est deeds that I can do,
3. Wait - ing will not save me– Help - less, guilt - y, lost I lie,

In my ear is mer - cy's cry; If I wait I can but die–
Trust the work that He has done; To His arms, Lord, help me run–

Where His Voice Is Guiding

Chorus

Where Is My Boy Tonight?

With tenderness

1. Where is my wan - d'ring boy to - night– The boy of my ten - d'rest care,
2. Once he was pure as morn - ing dew, As he knelt at his moth - er's knee;
3. O could I see you now, my boy, As fair as in old - en time,
4. Go for my wan - d'ring boy to - night; Go, search for him where you will;

The boy that was once my joy and light, The child of my love and prayer?
No face was so bright, no heart more true, And none was so sweet as he.
When prat - tle and smile made home a joy, And life was a mer - ry chime!
But bring him to me with all his blight, And tell him I love him still.

Chorus *Not too fast*
