Alone With Jesus! Blessed Place

Words: Mary Ingalls Pierce
Music: Joseph Martine

1. Alone with Jesus! blessed place, Where I behold Him face to face,
   And every line of beauty trace. - Companionship divine.

2. Alone with Jesus, while without Are care and danger, fear and doubt;
   But while with Him, the world shut out, The joys of heav’n are mine.

3. Alone with Jesus, oh, the bliss Of holding converse such as this;
   All anxious care I now dismiss, And all of earth resign.

4. Alone with Jesus, oh, how blest! Close folded to my Savior’s breast,
   Be Thou, dear Lord, my constant guest, And keep me wholly Thine.
