Abide In Me

1. Abide in Me!—'tis Jesus' voice; O cease thy fruitless quest;
   In Me, believing souls, rejoice, And enter into rest.
   Abide in Me, thy hiding place From sin and burden free;

2. The peace which like a river flows, The joy that is divine,
   The blessedness' that love bestowed, Shall be forever thine.
   Abide in Me, thy hiding place From sin and burden free;

3. At last, through yonder shining gate, My glory thou shalt see,
   And there, in mansions that await, Thou shalt abide with Me.
   And thine shall be
