Cleave To The Savior

1. Would you please and honor Jesus? Follow Him in all you do;
Would you win His love and favor? Be His servant, faithful, true.
Cleave to the Savior day by day, Tempted by sin, go seek Him in pray'r;

2. Would you have a friend in Jesus, To support you in your way;
Own Him as your Lord and Master, Him receive, and love, obey.
Duty perform, and courage display, Cleave to the Savior everywhere.

3. Do you long to be with Jesus, And a crown of life secure?
Be thou patient in His service, Meekly to the end endure.
