Come, Holy Spirit, Source Of Power

Come, Holy Spirit, source of Pow’r Our weakness strengthen now;

Enter to dwell, Thou Blessed Guest, To never leave us more.

Thine unction we would now receive; Its richness we would know.

Enter our hearts this very hour, While we before Thee bow.

In Thine own love may we be blest, On us Thy blessings pour.

Our Father’s promise we believe: In us Thy fullness show.

Our Father’s promise we believe: In us Thy fullness show.

O make and seal us ever Thine: From sin give Thou release.
