Come, Let Us Lift Our Voices

1. Come let us lift our voices high, High as our joys arise,
   And join the songs above the skies, Where pleasure never dies.

2. Jesus, the God, invites us here, To this triumphal feast,
   And bring immortal blessings down, For each redeeming guest.

3. Victorious God! what can we pay, For favors so divine?
   We would devote our hearts away, To be forever Thine.
