Come With Hearts Rejoicing On This Happy Day

1. Come with hearts rejoicing on this happy day, For a mighty army
stands in bright array, Hearts both brave and loyal, soldiers of the King,
ready for the battle, hear the trumpets ring.

2. Armor bright and shining, breast-plate tried and true, Helmet of salvation,
courage then renew; Proudly waves our banner, emblem of the free,
by this sign we conquer through eternity. On then, gallant comrades,
never fearful be,

3. See the prize before us—immortality, Forward ever pressing,
never falter we, Till our notes of triumph swelling to the sky,
Christ our King and Savior, laud and magnify.

Chorus

On then, on then, gallant comrades,
Jesus, our great Captain, leads us
