Come to the Blood

1. Have you been washed in the crimson flow
   Shed for your sins in the long ago?

2. Jesus is waiting to cleanse your soul
   Waiting to bless you and make you whole?

3. Come to the fountain of love and light
   Leaving the shadows of sin’s dark night?

4. Jesus entreats you, His call to heed
   Accept the mercy your soul now needs;

Chorus

come to the blood. Come to the blood, come to the blood,

Plunge in the depths of its cleansing flood; If you’d be free from the stains of sin, then hasten to come to the blood.
