Deeper Love

1. Precious Savior, dearest Friend, While we bend the knee,
   Come and consecrate us now, Seal us ever Thine;
   Trusting as a little child Help us, Lord, to be,
   Deeper love, yes, deeper love, This our constant plea;

Come and give our longing hearts Deeper love to Thee.
May we to Thy holy will Ev’ry pow’r resign.
While we ask in simple faith Deeper love to Thee.
Deeper love, yes, deeper love, Till we’re lost in Thee.

Chorus

Savior, loving Redeemer, Savior, precious to me, Grant me, I

pray Thee, More of Thy Spirit, Drawing me closer, Closer to Thee.
