Do It Now

1. If for Jesus you can speak, Do it now, do it now,

Tho' your tones are low and weak, Do it, do it now.

Take the tempted by the hand, Point them to the better land

That awaits "beyond the strand," Do it, do it now.

2. Can you help an erring one, Do it now, do it now,

Stay not for tomorrow's sun, Do it, do it now.

Bid them leave the paths of sin, And a better life begin,

If some wand'rer you can win, Do it, do it now.
