Dwelling In Me

Words: Rev. D. M. Buchanan
Music: Charles C. Ackley

1. Dwelling, O God, in me, Dwelling in me; Gladly my heart would plead To welcome Thee;

2. By faith I wait on Thee, Spirit Divine! Come, shed a broad Thy love, My will incline; 'Tis life and peace to be,

3. My heart Thy temple make Secure for Thee; Live there both rich and full, Thyself for me; Thus pure my thoughts shall be,

4. Thy grace sufficient is For every strife; Help me, by faith and love, To show my life A victory won by Thee,

5. Then, till my latest breath, Thyself impress; That bright heart would plead To welcome Thee; Tho' wondrous thought it be,

Dwelling, O God, in me, Dwelling in me, Dwelling in me.
