Grant Us, O Our Heavenly Father

DAWNING 8.7.

1. Grant us, O our heav'n-ly Fa-ther, Now in these our ear-ly days, Thee in all things to re-mem-ber,

2. Draw-ing near-er still and near-er, May we close and clos-er cling To our Lord and to His al-tar

3. Blest in joy, up-held in sor-row, At our work as in his sight, May His pres-ence still be with us

4. Serv-ing Thee, our Heav'n-ly Fa-ther, From the dawn to set-ting sun, Serv-ing Thee in life's young morn-ing,

5. Till the shad-ows of the eve-ning Shall for-ev-er pass a-way, And the Res-ur-rec-tion morn-ing

Thee to serve and Thee to praise.
There our-selves an of-fring bring.
As we do it with our might.
Till our work on earth is done.
Kin-dle in to per-fect day. Amen.
