Hail, Holy Spirit, Bright Immortal Dove

SABINA 10s.

1. Hail, Holy Spirit, bright immortal Dove! Great spring of light, of purity and love; Proceeding from the Father and the Son, Distinct from both, and yet with both but one.

2. O Lord, from Thee one kind and quick'ning ray Will pierce the gloom and re- enkindle day; Will warm the frozen heart with love divine, And with its Maker's image make it shine.

3. Oh, shed Thine influence, and Thy pow'r exert; Clear my dark soul celestial day, And heavenly life to all its pow'rs convey.
