In A Wondrous Way

1. I have found a great salvation, in a wondrous way,
2. Jesus heals the broken hearted in a wondrous way,
3. When the temper would enslave me, in a wondrous way,
4. By and by He will transform me, in a wondrous way,

By the cross, God's revelation, in a wondrous way;
When all comfort has departed, in a wondrous way;
Jesus sends the pow'r to save me, in a wondrous way;
To a higher realm conform me in a wondrous way;

When I came to Christ confessing All my guilt, He gave the blessing,
Closer than a friend or brother, Like the tender touch of mother,
I can trust Him to defend me, Any where that He may send me,
Things of time can enter never, In that home my joy to sever,

Now His pardon I'm possessing, in a wondrous way.
He can help you as no other, in a wondrous way.
He has promised to be friend me, in a wondrous way.
I shall dwell with Christ forever, in a wondrous way.

Yes, it is a wondrous way, yes, it is a wondrous way,

in a wondrous way, way; Jesus saves and keeps me in a wondrous way.

way; Jesus saves and keeps me in a wondrous way.
