LORD, DISMISS US IN THY CARE

1. Lord, dismiss us in Thy care; Never leave us is our prayer,
   As we go into the night, Shield us with Thine arms of might.

2. Though we go our separate ways, We're together in Thy praise;
   Knit in love and faith unfeigned, Keep us thus in Jesus' name.

3. When the tempter comes around, Serv'ing Thee may we be found;
   Father, wilt Thou be near by? He won't harm if Thou art night.

4. Till we gather back again, Father, keep us free from sin,
   Pure and holy would we be, As the one who set us free.
