Lord, Teach Us How To Pray Aright
ST. ELHELDREDA C. M.

1. Lord, teach us how to pray a-right, With reverence and with fear;
2. Give deep humility; the sense Of godly sorrow give;
3. Patience, to watch, and wait, and weep, Tho' mercy long delay;
4. Give these, and then Thy will be done; Thus, strengthened with all might,

Thou dust and ashes in Thy sight, We may, we must draw near.
A strong desiring confidence To hear Thy voice and live.
Courage, our fainting souls to keep, And trust Thee tho' Thou slay.
We, thru Thy Spirit and Thy Son, Shall pray, and pray a-right. Amen.
