Safe in the Harbor

1. Safe in the harbor, the weary find rest,
   Free from their labors and care that distress,
   Wounds find a healing, all tears wiped away,
   Safe in the sunlight of heav’n’s glorious day!

2. Safe in the harbor, the harbor of peace,
   Safe from the storms that forever increase;
   Sorrows and trials and heartaches are o’er,
   Safe in the harbor of life ever more!

3. Safe in the harbor, the harbor of love,
   Safe from the storms in that heaven above;
   Life ever lasting where joys never cease,
   Safe in the harbor of life ever more!

4. O glorious thought! We shall meet on that strand,
   Safe on the shores of that fair Eden land!
   Sorrows and trials and heartaches are o’er,
   Safe in the harbor of life ever more!
