Savior, Ere In Sweet Repose

SEYMOUR (WEBER) 7s

1. Savior, ere in sweet repose
I my weary eyelids close,
Let me love with perfect love
Child and man, and God above.

2. Guard me when in sleep I lie,
Plead for me with God on high,
All that stained my soul today,
Wash it in Thy blood away.

3. If my slumbers broken be,
Waking, let me think of Thee;
Darkness cannot make me fear
If I feel that Thou art near. Amen.
