Savior, Lead Me, Lest I Stray

1. Savior, lead me, lest I stray, 
   Gen-tly lead me all the way;
   I am safe when by Thy side,
   Lead me, Savior, lead me, lest I stray; 
   Gen-tly lead me all the way.

2. Thou, the refuge of my soul, 
   When life's stormy billows roll; 
   I am safe when Thou art nigh, 
   Lead me, Savior, lead me, lest I stray; 
   Gen-tly lead me all the way.

3. Savior, lead me, then at last, 
   When the storm of life is past, 
   To the land of endless day, 
   Lead me, Savior, lead me, lest I stray; 
   Gen-tly lead me all the way.

Chorus

I would in Thy love abide, 
All my hopes on Thee rely. 
Where all tears are wiped away, 
Lead me, Savior, lead me, lest I stray; 
Gen-tly lead me all the way.
