Say, Are You Ready!

1. Should the Death angel knock at thy chamber, In the still watch of tonight,

2. Many sad spirits now are departing In to the world of despair; Say will your spirit pass into torment,

3. Many redeemed ones now are ascending In to the mansions of light; Jesus is pleading, patiently pleading,

Or to the land of delight?

Sinner, O sinner, beware! Say are you ready,

O are you ready? If the Death angel should call;

Mer- cy stands waiting for all.
