Shoulder To Shoulder

Words by H. F. James
Music by E. S. Lorenz

1. Shoulder to shoulder, the face to the foe, Firm and united, right onward we go;
   Not in our mighty host—This is our only boast,
   This cheers and nerves us most, God leads us on.

2. Tender the ties that our hearts firm unite: Love to our Lord, to His word full of light; Love for His fallen ones, Care for His erring ones,
   Joy, that as loving sons, God owns us all. Shoul-der to shoul-der we
   God claims our pow’r and youth, He leads us on.

3. O’er all the land now the foe we engage, Why should we fear, tho’ he menace and rage? Wield-ing the sword of truth, Knowing for wrong no ruth,
   on-ward go to victory! Firm and united, our God with us, the
   on-ward go to vic-to-ry! Firm and united, our God with us, the

foe must flee; Clad in God's panoply we onward go.
