Singing For Jesus, Our Savior
HEDGES 10s.

1. Singing for Jesus, our Savior and King; Singing for Jesus, the Lord whom we love;
join in the song;

All adoration we joyously bring,
Calling the weary and wandering in,
Longing to praise as they praise Him above.
Rolling the chorus of gladness along.
Sing for blessing and joy that He lives.
Sing for Jesus, forever above. Amen.

2. Singing for Jesus, and trying to win Many to love Him, and heart that He gives;
Sing for wonder and praise that He died,
Sing for Jesus, yes singing for joy; Thus will we praise Him and tell out His love,
Till He shall call us to brighter employ,
Longing to praise as they praise Him above.
Rolling the chorus of gladness along.
Sing for blessing and joy that He lives.
Sing for Jesus, forever above. Amen.
