Tell That God Is Love

Words: Laurene Highfield
Music: Fred C. Pullin

1. Come ye people who have heard God's divine and priceless word,
   Till your hearts with love are stirr'd,
   Tell to other hearts the joy Griefs of earth cannot destroy;
   Let this truth your words employ;

2. God is love, His love is true, Love that paid the ransom due,
   Come, confessing, share your blessing,
   Free from every soil and stain, Came to win the world again,
   From the way of sin and pain,

3. God is love, if we would be Children of that love so free,
   Greater love the world ne'er knew; Tell the story, Christ from glory,
   All His matchless worth to show, More like Christ each day to grow,
   That the world thru us may know,

Tell That God Is Love

Chorus

Tell it out that God is love, From His heav'n-ly home a-bove,

Never sleep-ing, He is keep-ing Watch a-bove His own;

Trust-ing in His mer-cy still, Strive to do His sov'-reign will,

He with love each life will fill, That His love hath shown.
