Can You Count The Stars?

Words by Johann Hey
Music: German Folk Tune

1. Can you count the stars of evening That are shining in the sky?
2. Can you count the birds that warble In the sunshine all the day?
3. Can you count the many children In their little beds at night,

Can you count the clouds that daily Over all the world go by?
Can you count the little fishes That in sparkling waters play?
Who without a thought of sorrow Rise again at morning light?

God, the Lord, who doth not slumber, Keepeth all the boundless number:
God the Lord, their number knoweth, For each one His care He showeth:
God the Lord, who dwells in heaven, Loving care to each has given:

But He careth more for thee, But He careth more for thee.
Shall He not remember thee? Shall He not remember thee?
He has not forgotten thee, He has not forgotten thee.
