Christian Brethren O’er The Main

BURMAH 7s & 6s, with Refrain.

1. Christian brethren o’er the main, Carry the news of Jesus;
   Go where night and darkness reign, Lovingly haste away.

2. O’er the deep resounding Savings the millions ere they die, Earnestly haste away.
   Spread its beams o’er climes afar, Pleadingly haste away.

3. Tell of Judah’s Morning Star, Peacefully, calmly shining;
   Lo, in heaven your bright reward; Joyfully haste away.

4. Christian brethren, preach the Word, Publish a free salvation;
   Carrying the news o’er waters blue, Perishing souls are waiting for you;

Refrain

Stretching their hands, they plead for light, Blessed Gospel light.
