Comrades, Known in Marches Many

Words: Charles G. Halpine, 1829-1868
Music: Arranged from Ludwig von Beethoven, 1770-1827

SARDIS 8, 8, 8, 7

1. Com-rades known in marches man-y, Com-rades tried in dangers man-y,
   Com-rades, bound by memories man-y, Brothers ever let us be.

2. Wounds or sickness may divide us, Marching orders may divide us,
   But, whatever fate betide us, Brothers of the heart are we. A-men.
