He Is Caring For Me

Words: Harriet H. Pierson
Music: D. B. Towner

1. I know that my Father is caring For all of His children below;
I know that thro' sunshine and shadow, He guides me wherever I go.
I trust Him thru all of life's journey, For clearly the way He can see;
I hold to His hand in the darkness; I know He is caring for me.

2. I fear not tho' peril surround me, He's promised to shield me from harm;
Tho' doubt and temptation assail me, I'm safe in His sheltering arm.
Ad lib...

3. One world is but dust in His balance, One sea but a drop in His hand;
One soul in His sight is more precious Than treasures of ocean and land.
