Holy Comforter Divine

DORELL 7s, Five lines.

1. Holy Comforter divine, Let Thy beams upon us shine. Warm our souls to life and love! Bend our stubborn wills to Thine.

2. Messenger of love Thou art, Come to every contrite heart, Each desire and thought renewed! Hope and joy and peace impart, Make us faithful, strong and true.

3. Holy Spirit, may we be, Ever, only, led by Thee, Yielding to Thy bless control. Thou from sin hast set us free, Come and dwell in every soul!
