I Am On The Right Side

Words: Ina Duley Ogdon
Music: P. P. Bilhorn

1. In the royal army, fighting for the right, Serving for Jehovah,
   trust-ing in His might, Standing by my Captain, victory in view,
   I am on the right side; brother, are you?

2. Many foes to conquer, ere the day be done, Ere the cry of triumph
   tells of victory won; Clad in gospel armor, Satan's hosts pursue;
   I am on the right side; brother, are you?

3. See the ranks of darkness, backward as they fall, Never more to rally
   ru-in over all; See Jehovah's army, reinforced anew;
   I am on the right side; brother, are you?

4. Have ten onward, brother, triumph over sin, Every evil vanquish,
   ev-ery conflict win; Hasten on to Zion, for the grand review;
   I am on the right side; brother, are you?
