I Am The Light Of The World

1. Come unto Me, come unto Me, I am the light of the world;
   Your coming Savior waits for thee; I am the light of the world;
   I wait to guide thy feet a-right, To lead from paths of dreary night,
   And give to thee a robe of white, I am the light of the world.

2. I come to let the captive free, I am the light of the world;
   To bless the man who trusts in Me, I am the light of the world;
   I wait this moment to illumine, And all thy inward foes consume;
   Your heart and voice to praise attune, I am the light of the world.

3. Come unto Me, ye sick, and blind, I am the light of the world;
   There need not one be left behind, I am the light of the world;
   I came to suffer much for thee, I came to set the sinner free;
   Come, find the light of life in Me, I am the light of the world.
