Love and Help Each Other

1. We should love and help each other, Day by day, day by day,
   We should raise the fallen brother On the way, On the way,
   For the road is rough at best, As we count each weary mile,
   Let us cheer the fainting breast, With a tender word and smile.

2. Let us go in scenes of sorrow, Undismayed, undismayed,
   Trouble's hand on us tomorrow May be laid, May be laid,
   Let us help while now we can, Ev'ry burden to relieve;
   As we bless our fellow man So a blessing we'll receive.

3. How the hand of love can lighten All our woe, all our woe,
   How the gleam of hope can brighten All below, all below,
   Let us do the kindly deed, Let us speak the loving word;
   They will spring like precious seed In the garden of the Lord.

Love and Help Each Other

Chorus

We should love and help each other. Day by day, day by day. We should raise the fallen brother. On the way, on the way.
