Saints of God, Rejoice and Sing

Words and Music: Austin Taylor

1. Saints of God, rejoice and sing! From the heart rejoice and sing!
2. God is love—rejoice and sing! Look above—rejoice and sing!
3. Let the morning give you cheer, And the evening bring no fear,

Thru the storms and strife, and the cares of life, Rejoice, rejoice and sing!
Heaven's King exalt from a trusting soul: Rejoice, rejoice and sing!
For the God above is a God of love: Rejoice, rejoice and sing!
