Say Not The Evils Round You

1. Say not the evils round you Can not be over come!
2. Say not an effort single Is but of little worth;

Let not the sight confound you! Let not your voice be dumb!
Drops that with others mingle Water the thirsty earth.

See how the brave have shattered Rocks that have barred their way;
Let each but do his duty, Fighting against the wrong,

Darkness by light is scattered, Night all absorbed by day!
Deserts will smile with beauty, Mountains resound with song!

Chorus

Let not your fears confound you! Cast off the chains that bound you!

Say not the evils round you Can not be overcome!
