Sing, O Heavens, O Earth, Rejoice!

1. Sing, O heav'n! O earth rejoice! Angel harp, and human voice,
   Round Him as He rises, raise Your ascending Savior's praise.
   Alleluia, Alleluia, Alleluia, Alleluia.

2. Bruised is the serpent's head, Hell is vanquished, Death is dead,
   And to Christ gone up on high, Captive is captivity.
   Alleluia.

3. All His work and warfare done, He into His heav'n is gone,
   And beside His Father's throne, Now is pleading for His own.
   Alleluia.

4. Asking gifts for sinful men, That He may come clown again.
   And, the fallen to restore, In them dwell for evermore.
   Alleluia.

5. Sing, O Heav'n! O earth, rejoice! Angel harp, and human voice,
   Round Him, in His glory, raise Your ascended Savior's praise.
   Amen.
