Some Day We Shall Be Satisfied

1. Some day we shall be satisfied, When in His likeness we appear,
   When we shall see Him as He is, When all that's dark shall be made clear.

2. Some day we shall be satisfied, When we shall meet Him face to face,
   And sing with angels round the throne, We're saved, we're saved from sin by grace.

3. Some day we shall be satisfied, When all our burdens are laid down,
   When we shall stand before the King, And there receive the promised crown.

Chorus

Sat - is - fied, we shall be sat - is - fied, Some day we shall be sat - is - fied;
When in His likeness we appear We shall be satisfied.
