Song of Deliverance

1. Faint not, Christian! tho’ the road Leading to thy blest abode
2. Faint not, Christian! tho’ the world Has its hostile flag unfurled;
3. Faint not, Christian! tho’ within There’s a heart so prone to sin;
4. Faint not, Christian! tho’ thy God Smite thee with His chast’ning rod;

Dark some be, and dangerous too—Christ, thy Guide, will bring you thru.
Hold the cross of Jesus fast, Thou shalt overcome at last.
Christ the Lord is over all, He’ll not suffer thee to fall.
Smite He must with Father’s care, That He may His love declare.
