Abide In Me

1. Abide in Me!—'tis Jesus' voice; O cease thy fruitless quest;
   In Me, believing souls, rejoice, And enter into rest.

2. The peace which like a river flows, The joy that is divine,
   The blessedness' that love bestows, Shall be forever thine.

3. At last, thru yonder shining gate, My glory thou shalt see,
   And there, in mansions that await, Thou shalt abide with Me.

Chorus

Abide in Me, thy hiding place
Abide in Me, thy hiding place,
From sin and burden free;
And thine shall be

From sin and burden free, from burden free;
And thine shall be
