Around The Throne

Words and Music: G. F. Root

Moderato

1. Around the great white throne above Unnumbered millions stand
   With golden harps they sing the song Of Moses and the Lamb.
   May we before the same throne Our rent places take,
   And to the same God our song Of loving praise awake.

2. 'Twas He, the mighty God, who came To earth that sin might cease,
   'Twas He, Immanuel God with us Who was the Prince of Peace.
   'Tis He, above all glory raised, To whom all pow'r is giv'n,
   Whom now we worship and adore With countless choirs in heav'n.

3. 'Tis He who in His boundless love Has brought us here today,
   Where we may learn His holy word, And praise His name and pray.
   Oh, may our grateful hearts go up As incense to His throne,
   And all our love and all our life Make His salvation known.
